

Dear Colleague,

The Executive Directorate of the Association of Hairdressers and Therapists (AHT) and the Professional Association for Catering Education (PACE) following on from the successful Learning and Development Forum of 2022, have once again joined forces to stage a Forum for 2023, to support and benefit each of our respective memberships.

These are exciting times for two very vibrant sectors of the education and training landscape.

During the joint event, we will be offering a broad range of CPD activities to the benefit of all delegates. From 2022 delegates feedback and have made changes/additions accordingly.

There will be practical skills workshops, keynote speakers from education and industry influencers, as well as offering exceptional networking opportunities to all. (Agenda to follow shortly) The event will also host a supplier exhibition for Hospitality and Catering delegates.

During the evening, delegates will be able to attend a Gala Dinner ***which will again feature the Annual Awards presentations, to acknowledge special achievements of colleagues and their teams work during 2022.***

The Learning and Development Forum will take place from **Friday 10th until Sunday 12th March 2023**. (dates designed to cause minimum disruption in the curriculum delivery).

The Event will be held at the **Village Hotel, Blackpool**, where we look forward to welcoming staff and managers to this great collaborative initiative.

With best wishes from the Executive Directorate of the

Association of Hairdressers and Therapists (AHT)

Professional Association for Catering Education (PACE)
